

# UP TO \$950 IN REBATES AVAILABLE

## SPRING SAVINGS ARE HERE!

Upgrading your heating and cooling shouldn't break the bank. Right now, New Hampshire homeowners can save hundreds on high-efficiency equipment through utility rebate programs.

**WITH BROOKSIDE, YOU GET TO ENJOY THE SAVINGS AND COMFORT. WE'LL HANDLE THE REST.**

### LG 58-GAL HYBRID HEAT PUMP WATER HEATER

Uses a fraction of the energy of a traditional electric tank. That means lower utility bills every single month.

**Built to last. An enamel-lined tank** helps prevent corrosion and extend the life of your investment.

**Simple to use.** Four-button digital display. No guesswork.

**\$300 INSTANT REBATE\***

**\$300 Rebate**  
Energy Star™ heat pump water heater

### RHEEM RD18 ENDEAVOR PRESTIGE HEAT PUMP

Handles both heating and cooling in one outdoor unit. Runs on next-generation refrigerant.

**High efficiency.** Up to 19 SEER cooling and 10 HSPF heating means lower energy bills every season.

**Smart-home ready.** Wi-Fi control, monitoring, and diagnostics.

**Built for New England.** Cold climate rated with heating capacity to keep up when temperatures drop.

**\$650 INSTANT REBATE\***

**\$650 Rebate**  
Energy Star™ cold climate air-source heat pump
